Nearby Workers

Introduction

The Solo Wearable app allows you to keep in touch with and view the last-known location of your teammates, using the built-in Nearby feature.

Nearby Workers

Launching Nearby

The Nearby feature is launched from the Solo Menu.

To access, **tap** the Menu and then **select** the 'Nearby' icon.

If your watch has a bezel, **turn** the bezel clockwise until the 'Nearby' icon is selected, then **tap** the centre of the screen.

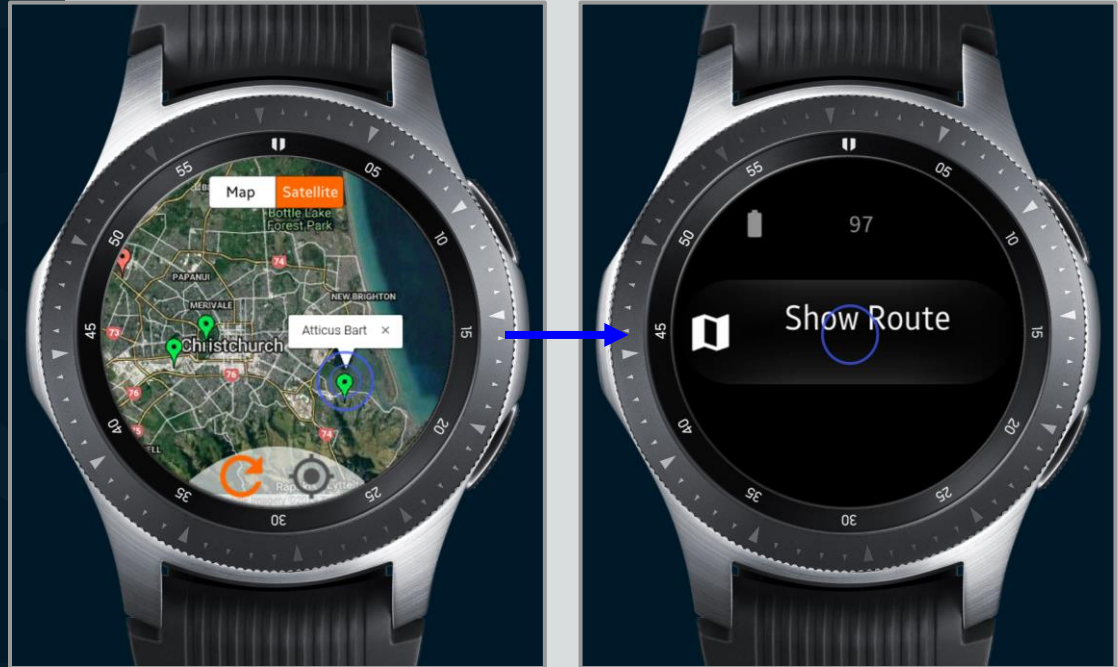

Nearby Workers

Map View

The Map View shows markers representing the geographic location of other Solo users who are part of your team or teams and who are currently in an active session.

Tap any marker to reveal the Solo User's name.

Double tap the marker to view that Person's full details including contact details and their current session route.

Nearby Workers

Exit Nearby Function

Once done, **press** the top right 'Back' button to return to the Active Session or Solo Landing page.
